**FABULOUS PRODUCE DEPARTMENT IS LARGEST IN NATION**

You are in for a real treat when you stop in the Produce Department of the fabulous Food Giant Market. Here you will find for your selection the very finest quality fruit and vegetable that it is possible to offer in Southern California.

Our experienced Produce Buyers scour the local markets and make regular trips into the orchards of California, Arizona and Nevada to bring our customers the ultimate in fine merchandise.

Food Giant Fruits and Vegetables are rushed to our store for sale the very same day they are bought. Once at Food Giant they receive the intelligent, thorough care that they need to insure their constant freshness and excellence until they reach your table.

Here at Food Giant you will find not only quality but variety in fruit and vegetables. In fact, you will find the most complete assortment that ever has been assembled in one supermarket... and if by chance you do not see what you want, do not hesitate to ask our produce manager to get it for you in the future.

Once you shop Food Giant produce you'll know why we say that we are exceptionally proud of our produce... and agree with us.
